100kW 256kWh off-grid energy storage system with 100kW three-phase solar inverter, LiFePO4 batteries, EMS and IP54 outdoor cabinet. See specs & request quote.

Unleash peak performance and unparalleled security with our Air-cooled Energy Storage System. This modular powerhouse seamlessly integrates AI-powered intelligence for optimized operation and ...

The HighJoule 100KWh Outdoor Cabinet Series offers a robust solution for commercial applications, featuring a 100KWh LFP or SSB battery with over 8000 cycles, ensuring long-term reliability and ...

It adopts door-mounted embedded integrated air conditioning, which does not occupy cabinet space, improves the available space of outdoor cabinets, has better structural integrity at the top, and has ...

This integrated solar battery storage cabinet is engineered for robust performance, with system configurations readily scalable to meet demands such as a 100kwh battery storage requirement.

With its balance of efficiency, safety, and adaptability, the MEG 100KW x 215kWh Storage Cabinet empowers users to maximize renewable energy utilization, ensure grid stability, and secure ...

We offer a warranty of standard 60-month warranty from the delivery date. Our energy storage systems feature modular and intelligent designs. All units are fully assembled and tested before shipment. We ...

Focusing on the new energy industry for 10+ years, it is committed to providing first-class solutions and services for global new energy applications. In order to reduce human dependence on fossil energy, ...
