The Banish 30 isn't much good when you can't use it. Just cleaned mine for the first time in a sonic clean with simple green. Couldn't get sleeve to come out with baffles. Took a while to get ...

I am going to order a suppressor in the coming weeks, I have narrowed it down to either the hybrid 36M or the banish 338. I will be shooting 338 lapua, 300 mags, 9mm and 338 subs though ...

We manufacture custom sheet metal electronic enclosures, mounting hardware, and miscellaneous components. We start from your design, and build them in 5-7 days, with no minimum order ...

These cabinets are designed to store and manage lithium-ion batteries used in electric vehicles, allowing for quick and efficient battery swapping as an alternative to traditional charging methods.

I just ordered a backcountry, it's good to here the positive reports.

Engineered for use with most type of battery terminal models, these cabinets can fit a wide variety of applications. This solution is completely customizable and flexible to support your application ...

Banish back country, length and weight look good, reviews are inconsistent. Silencerco Harvester 338, length and weight are longer and heavier, maybe not the best choice for hunting ...

If you are looking for a great can to run on your hunting rifle, I can strongly recommend one of these. Banish Backcountry Suppressor
