What size is a collapsible bulk container?

Our collapsible bulk containers are available in various sizes and offer capacity ranges for medium-duty, heavy-duty, or extra-heavy-duty applications. 32" x 30" bulk containers are ideal for handling, storing, and moving various dense small-to-medium-sized parts.

What are DuraGreen® collapsible bulk containers?

DuraGreen® collapsible bulk containers are space-saving containers engineered for durability and longevity. These containers are made of high-density polyethylene (HDPE), a durable material that will protect your products throughout the duration of the container's life.

What are knockdown containers?

Knockdown Containers are known as Foldable or Collapsible Bulk Containers. Collapsible containers are space saving solutions for warehousing and shipping.
