While it can be tempting to hire a professional to install a custom closet, if you don't have the budget, you can create your own bespoke clothing storage by using things you already own and ...

We think this space-saving storage solution works best for off-season clothing and all the extra storage you wish you had, hidden right beneath your bed. A must for small bedrooms, our ingenious bed ...

Install an IKEA BILLY bookcase inside your closet and pair it with rails to create a customized storage space ideal for organizing your clothes and accessories.

Yes, you can store seasonal clothes in a storage unit. However, if you need long-term storage, it's a good idea to check your boxes every couple of years to prevent creases and bugs.

Now, back to the main question: clothing storage. The short answer is yes, smart lockers can definitely be used for storing clothes. Let's break down the reasons why.

Unlike drawers, bookcases and open shelves give you a clear view and easy access to your clothes. This approach is perfect for jeans, t-shirts, sweaters, and other foldable items.

How exactly do you store clothes without a dresser? Well, there's always a solution here at Livingetc. I spoke to professional ...
