It's fine to have questions, but you keep asking the same ones without seeming to absorb the answers. Recently you wanted people to tell you if you were Benedictine or Dominican, then ...

Are there Dominican or Benedictine congregations with which you are familiar, or which are nearby? That may sound trite - but I was thinking that, if you knew of particular locations, there ...

A global overview of installed photovoltaic capacity, as well as the current energy situation of the Dominican Republic and the social aspects are presented.

Saturday, April 18, 2025: Dominican Holiness Retreat Day - similar to a Come & See Event - at the Monastery of St. Jude in Alabama. This is a small community (7 sisters in final vows; 1 ...

The facility has successfully reached net-zero carbon emissions from its direct operations by commissioning a state-of-the-art 11.2-megawatt solar plant. This impressive installation features ...

GGGI will support the development of an alternative model to solar PV expansion, consisting in smaller solar PV system (10-25MW) that will be connected to the 69kV network, with solar farms closer to the ...

In the Dominican Republic, the National Energy Commission (CNE) has granted the definitive concession to three contracts for the installation of solar parks located in different regions of the ...

Some of these things are sometimes hard to express but there is a definite difference in them. I'm sure their approach to a lot of different things about being a religious is slightly different. ...
