What are the top 10 lithium-ion battery manufacturers in Africa?

In this article, we will look at the top 10 lithium-ion battery manufacturers in Africa; Deltec Energy Solutions, Blue Nova Energy, Innovation Generation, Freedom Won, Hubble Lithium, First National Battery, Esener, Hanchu Energy, REVOV, and Potensa. Last Updated on February 21, 2025

Who manufactures lithium batteries in South Africa?

Hubble is a leading lithium-ion battery manufacturer in South Africa. They design, engineer, and supply lithium batteries for the solar, renewable energy, and power backup industries in South Africa and Sub-Saharan Africa. Key products: A wide range of lithium batteries, from 12V to 512V, with various mounting options and stand-alone choices.

Who is Africa's champion of the circular lithium-ion battery value chain?

is Africa's champion of the circular lithium-ion battery value chain. The Megamillion Commodities Company (TMCC) focuses on upstream activities including mining, processing, and refining of battery minerals. TMCC combines sustainable practices with innovative solutions to meet global demands without costing the earth.

Who are associated battery manufacturers (ABM)?

Established in 1963 by the UK-based Chloride Group, Associated Battery Manufacturers (ABM) is the largest battery manufacturing company in East and Central Africa and the only battery manufacturing company in Kenya.

AceleAfrica is Africa's leading battery technology company having pioneered Africa's most sustainable Lithium battery packs with a comprehensive circular economy approach.

We offer a wide range of leading lithium battery solutions to cover all your needs from our smallest 7Ah 12V gate motor batteries through to our largest 5MWh containerised expandable grid support solutions.

The Megamillion Energy Company (TMEC) specializes in large-scale manufacturing of lithium-ion cells in cylindrical and prismatic form for stationary energy storage systems and new energy clean mobility ...

In this guide, we list the top lithium battery manufacturers in Africa, explain what makes them reliable, and help you choose the best supplier for your country and application.

East Africa's leading manufacturer for car & solar batteries & supplier for power backup, solar water heaters,
