The EG4 rack-mounted LiFePO4 battery improves data center backup power reliability by delivering long-lasting, high-capacity, and safe energy storage with advanced battery management and ...

The EG4 LifePower4 V2 Lithium Battery 48V 100AH provides reliable energy storage for server racks, ensuring uninterrupted power supply with its efficient and high-capacity lithium technology.

Unleash the true potential of energy storage with EG4 batteries. Engineered with cutting-edge technology and a focus on performance, these batteries offer exceptional power and reliability.

It has a nominal voltage of 51.2V, an energy capacity of 5.12kWh, and an internal 100A Battery Management System (BMS). The battery supports parallel connections of up to 64 units and includes ...

The EG4 LL Lithium Battery (V2) delivers 12V and 400Ah of advanced LiFePO4 storage, making it ideal for server racks and backup systems. Enjoy reliable, long-lasting power and efficiency.

Ensure reliable energy storage with EG4 Battery Racks, designed for seamless integration and optimal performance in your solar energy system.

EG4 3-Slot Battery Rack: easy installation, secure storage, built-in 300A busbars, lockable door, and flexible cable management.

48V 100Ah LiFePO4 Lithium Battery, 100A BMS with Inverter Communication, 3U Rack-Mount, Smart Display & Bluetooth, 6000+ Cycles, Max. 5.12kW Power Output for Off-Grid, Solar System, Backup
