What are battery energy outdoor lockable enclosures?

Battery Energy outdoor lockable enclosures help keep your investment secure in a thermally managed environment. These heavy duty enclosures have a double powder coated finish, designed to withstand the harsh environments and have an ingress protection rating of IP65 (Dust and Humidity free).

Why do you need an outdoor battery enclosure?

Outdoor battery enclosures keep your batteries safe from weather and safe from theft. Outdoor battery enclosure boxes also feature locking mechanisms that protect unauthorized people against possible electrical dangers if they happen to be tampering with your equipment. The main functions of outdoor battery box enclosure are:

What types of outdoor battery enclosures are available?

AZE's heavy duty outdoor battery enclosures and Lithium battery storage system are available in NEMA 3R, or 4X configurations. These outdoor battery enclosures, which come in all shapes and sizes, are designed to withstand extreme elements, climates and environments.

Find tips to choose the best outdoor battery cabinet for your energy needs, focusing on size, cooling, durability, and future expansion options.
