How much money is being invested in lithium-ion batteries?

An additional EUR20m is being invested in the production of lithium-ion batteries, with the installation of three highly automated assembly lines for lithium modules and complete lithium battery systems, as well as one assembly line for prototyping and R& D purposes.

Who is sunlight lithium?

With more than 12 years of experience in lithium and a top R& D team, Sunlight entered the lithium market with Li.ON FORCE, the first line of "smart" lithium batteries for electrical Industrial Vehicles (eIVs).

Where are LFP lithium cells manufactured?

of LFP lithium cells to be developed and manufactured in one of the biggest Gigafactories in Europe created for highly-skilled employees recruited and trained from the local communities of Northern Greece

How can Lith OS cell achieve a complete LFP battery value chain?

Groundbreaking lithium recycling activities allow LiTH.OS Cell to realize its vision to achieve a complete LFP batteries value chain. LiTH.OS Cell fosters a new battery Ecosystem in Europe, in tandem with Sunlight Group's multiple facilities, and aligned with planned international investments.

Sunlight, a global technology company and producer of industrial and energy storage solutions, has announced the implementation of a EUR50m investment plan for infrastructure, ...

With more than 30 years of experience in the battery field and with over 5000 ready-to-deliver different batteries in our warehouses, we stand by all professionals by providing them with excellent quality ...

The project will support the development of a pilot line to produce prototype lithium cells, and contribute to financing the company's research, development and innovation (RDI) activities ...

Greece Lithium Ion Cell and Battery Pack Market is expected to grow during 2025-2031

Greek manufacturers and suppliers of lithium from around the world. Panjiva uses over 30 international data sources to help you find qualified vendors of Greek lithium.

Greek lead-acid and lithium-ion battery manufacturer Sunlight Group Energy Storage Systems is set to more than double the production capacity of its lead-acid recycling plant in ...
