Will Tuvalu Vaka cable connect Funafuti to bulikula?

Tuvalu Vaka cable will connect Funafuti to the Bulikula cable system. "We celebrate a historic moment with the landing of the Tuvalu Vaka Cable on Funafuti. This achievement reflects the tireless collaboration between the Government of Tuvalu, Tuvalu Telecom, and our development partners.

What is happening in Funafuti?

The groundbreaking ceremony marks the commencement of land-based works needed to land the telecommunications cable in Funafuti, including the installation of a beach manhole, duct work and cable landing station works.

How many people live in Funafuti?

Funafuti is an atoll, comprising numerous islets, that is a capital of Tuvalu. As of the 2017 census, it has a population of 6,320 people. More people live in Funafuti than the rest of Tuvalu combined, with it containing approximately 60% of the nation's population.

What is Funafuti known for?

As the capital of Tuvalu, Funafuti is by far the most urbanized atoll in the country, and is the hub of governmental, administrative, and economic activities. The atoll consists of a narrow sweep of land between 20 and 400 metres (66 and 1,312 feet) wide, encircling a large lagoon (Te Namu) 18 km (11 miles) long and 14 km (9 miles) wide.

The island was secretly reoccupied on 2 October 1942 by elements of 5 Marine Defense Battalion (Operation FETLOCK) and Navy base forces began dredging the passes and charting of the lagoon.
