How can I get more women into the solar industry?

Attending solar, construction and green industry trade shows is a great way to meet women already working in the solar industry and seek their help in encouraging more women to join.

What is Women in Solar Energy?

Women in Solar Energy (WISE) is a nonprofit organization whose mission is to 'advance women in all aspects of the solar energy industry'. Women in Solar Energy Award: This award, sponsored by the American Solar Energy Society, is made to encourage women to become more technically involved in the solar field.

Is a college solar project worth it?

A college solar project can be worth it for a job seeker as many companies and start-ups offer internships, some of them paid, for students with renewable energy degrees who have developed their own independent projects, particularly during their junior and senior years.

Elevate your sales game with our top 10 strategies for selling solar panels effectively and maximizing your profits in the solar market.

Knowing that I'm creating something that's pretty maintenance-free and that's a good investment for people feels good to me - and knowing that it's dealing with climate at the same time is really great.

If you're wondering whether selling these unglamorous but crucial components can turn a profit, strap in. We're diving deep into market realities, profit margins, and why 2024 might be your year to shine in ...

For security, Brave's very good, and is ahead of Firefox, due to Chromium's very strong sandboxing. The only browsers I'm aware of that are more secure than Brave would be like ...

Is backmarket good to buy from? I want to get a MacBook or iMac. Do you think back market is legit? There are 3 conditions to choose from: fair, good and excellent. I got my eye on a 2021 iMac for ...
