Make a colorful, fudgy dessert that is out of this world with an impressive solar system-inspired layered cake.

Roll remaining cake and frosting mixture into balls; dip into remaining nonpareils. Serve extra "planets" on side of cake or add lollipop sticks to make planet cake pops.

Solar power cakes blend creativity with themes centered around renewable energy, symbolizing a commitment to sustainability while also being visually appealing. This unique cake ...

Brighten up your next party with a sun-shaped yellow cake complete with ice cream cone "rays." #summercake #summerrecipes #cakeideas #bhg Brighten up your next party with a sun-shaped ...

Feast your eyes on this delicious recipe for marble cake made with a solar oven!

Planning to make a themed birthday cake? I have made a super easy cake with solar system as the theme. Follow my step-by-step guide to make this cake. Feel free to add your own creativity also. ...

Solar System Cupcakes are made with Funfetti& #174; cake mix and Pillsbury(TM) Filled Pastry Bags with vanilla frosting, then topped with a paper planet on a toothpick.

I made the cake in advance (one round cake for the sun, and a large slab for the rest). I then cut out the planets with different sized cutters, and coloured them as close as I could to the real planets.
