Phifer SunScreen is woven vinyl-coated fiberglass screening manufactured for the primary use of reducing solar heat gain in the summer and reducing heat loss in winter.

EWG's 2025 Guide to Sunscreens includes more than 2,200 sunscreens SPF products and only about one in four products, or almost 500, meets our standards for adequate sun protection and avoids ...

"Physical blocking sunscreens, sunscreens that contain zinc or titanium, protect against a broader spectrum of rays," adds dermatologist Dr. Caren Campbell, MD.

We tested more than 110 sunscreens over the course of six weeks and ranked them. See which brands like EltaMD, Supergoop & Shiseido ranked among our favorites.

Looking for the best sunscreen for your skin type? We've rounded up 14 top-rated sunscreens--derm-approved, Ipster-loved, and perfect for daily wear.

Finding the best sunscreen is tough, so we tested popular products and asked dermatologists for their top picks. Here, find the best SPF for face and body.

Sunscreen is personal, and the one you choose to slather on your face is even more so. Here are 12 options to suit different preferences and budgets.
