Battery cabinets (Batterieschr&#228;nke) solve this by storing excess solar energy, but choosing the right system requires understanding three critical layers: capacity planning, safety protocols, and smart ...

With global solar capacity expected to hit 5 TW by 2027 according to recent industry projections, we're kinda facing a &quot;too much of a good thing&quot; scenario. Solar panels overproduce at noon but leave grids ...

The subreddit for the capital city of South Africa. News, events, people and anything else about and around Pretoria.

All good, Pretoria is a higher income area so it's fairly safe, just when you do get here ask where to not go like townships or squatta camps. Otherwise Pretoria is actually quite nice

Asking people of colour: I'm moving to Pretoria soon for postgrad, is there frequent racism in town and university?

Got black Pretoria 19 inch on my gti and they are not golf R wheels. The club sport s gti also came with Pretorias overseas so it's the wheel I was always looking for.

A list of Pretoria's Lost Spaces I've posted this list a couple of times in different subs over the last few years in response to questions about abandoned places in the city.

Keep your backup energy storage systems running smoothly and safely with our durable battery boxes and cabinets. Storing and charging any type of battery in a dedicated enclosure, protects them from ...
