As the leading vertically integrated manufacturer of lithium iron phosphate battery systems, GSL ENERGY has provided various battery solutions for nearly all kinds of ESS applications.

It adopts door-mounted embedded integrated air conditioning, which does not occupy cabinet space, improves the available space of outdoor cabinets, has better structural integrity at the top, and has ...

This integrated outdoor cabinet features lithium iron phosphate (LFP) batteries, modular PCS, EMS, power distribution, fire protection, and an advanced liquid cooling system that enhances thermal ...

This integrated solar battery storage cabinet is engineered for robust performance, with system configurations readily scalable to meet demands such as a 100kwh battery storage requirement.

Compact 100Kwh Energy Storage Cabinet with 10-400kWh capacity and IP54 protection, ideal for industrial and commercial applications.

All-in-one 50kW/100kWh ESS cabinet for solar storage, backup, and peak shaving. Outdoor-rated, air-cooled, and easy to install with full EMS control.

The HighJoule 100KWh Outdoor Cabinet Series offers a robust solution for commercial applications, featuring a 100KWh LFP or SSB battery with over 8000 cycles, ensuring long-term reliability and ...

It includes battery cells, Battery Management System (BMS), photovoltaic inverters, fire protection system, distribution system, thermal management system, and energy management system. This ...
