If your solar installation is not properly permitted, you may face fines, penalties, or even forced system removal. These legal battles can be time-consuming, costly, and highly stressful, making your solar ...

While you are browsing solar power companies, one of them may offer to install a solar panel or solar roof in your home for a small cost or even for free. It's an intentionally misleading...

While you are browsing solar power companies, one of ...

If your solar installation is not properly permitted, you may face fines, ...

It doesn't matter what they're selling--a new roof, driveway repaving, tree trimming, or solar panels--never hire someone who shows up at your door. You have no way of knowing who ...

Did a salesperson knock on your door and promise free rooftop solar panels at no cost to you? Or say you'll never have to pay another electricity bill because government programs, grants, or ...

Some customers say they were victims of fraud and forgery. This threatens rooftop solar's impressive momentum. Now, some solar companies are working to repair the industry's ...

The Federal Trade Commission is getting tired of dealing with all the solar panel scam complaints and warns consumers what to watch out for.
