As an established energy storage system company, we specialize in battery energy storage solutions, drawing on over 15 years of hands-on experience in battery and system manufacturing.

Slovenian battery manufacturer TAB (TAB tovarna akumulatorskih baterij d.d.) is opening the first gigafactory for lithium-ion energy storage systems (ESS) in Prevalje in 2024.

Energy storage start-up NGEN has announced the launch of a 12.6 MW/22.6 MWh battery system in northwestern Slovenia. The business was set up in the middle of last year to bring to fruition a grid ...

In October 2020, the Slovenian energy solutions company NGEN launched the largest battery storage system (BESS) in Slovenia and the region at the Talum facility in Kidričevo, north-east Slovenia.

We specialize in large-scale energy storage systems, mobile power stations, distributed generation, microgrids, containerized energy storage, photovoltaic projects, photovoltaic products, solar industry ...

Slovenia's lithium energy storage manufacturers are at the forefront of the green transition. By combining technical expertise with sustainable practices, they offer reliable solutions for industries worldwide.

The system was developed to meet the growing energy requirements of Slovenian enterprises. With its large 480kWh capacity, the C& I BESS ensures sufficient energy storage for high ...

While everyone's chasing shiny new batteries, TIMES Energy Storage Ljubljana does something radical - they listen to the land. Their secret weapon? Combining Alpine hydropower with ...
